

Big Rocks Organizing LLC

Make space for what's truly important.

Respect: No judgment, uphold safety procedures, use proper pronouns, respect your space + possessions, respect your lifestyle + brain-wiring, ask permission, let you be in the driver's seat, recognize + build on your strengths

Compassion: meet you where you're at, understand, allow for feelings, treat you kindly, empathetically, and warmly, provide a safe space, be attuned to your needs, encourage, support, be authentic + genuine, provide a calming presence, build relationships, service-oriented, community-oriented, clear and honest, yet sensitive

Professionalism: Punctual, experts in the field, experienced, robust training, transparent, excellent communication, use tried-and-true processes, high standards of excellence, consistent, confidential, knowledgeable about resources, dedicated, ethical, fair, hard-working, have integrity, work smart, passionate
